

IMPORTANT ANNOUNCEMENT

Accra, Ghana, October 29, 2021

YieldRock wishes to bring the following announcement to the attention of our cherished customers:

ANNUAL BUSINESS REVIEW (ABR)

TAKE NOTE that all existing customers are required to undergo a business review on an annual basis as part of our compliance processes. The goal is to verify the status of your business as a going concern and its viability going forward. A Certificate of Compliance will be issued after the review. The certificate will be required as condition for approval of all new facilities in 2022.

KNOW-OUR-POLICIES

As part of our commitment to serve you better, YieldRock has revised some aspects of our credit policies. All customers are enjoined to study the policies carefully and abide by them.

SINGLE OBLIGOR LIMIT

Under the current policy, a sole proprietorship business owner cannot access loan in excess of GH¢20,000, whether such facilities are booked in the name of the business or the owner as a person. A director of a company (limited liability) can however apply for a directors' loan (aside a business loan), subject to a maximum limit of GH¢20,000. This is pursuant to Rule 41(6) of the Business Rules. Customers with sole proprietorship businesses are therefore advised to avail themselves of the Board Member Personal Loan (BMPL) or Spousal Support Loan (SSL) facilities.

TARRIF GUIDE 2022

Our tariffs have been revised to reflect changes in the market place. You may download a copy of the 2022 Tariff Guide 2022 [here](#).

COVID-19 is still with us. Kindly continue to observe all protocols with fidelity. Keep safe.

Signed.
