There are moments in time when the situation requires cash to take care of urgent needs such as medical expenses, vehicle break downs, unplanned family emergencies, and the like. Not having the means at the time, or the wherewithal to respond to the emergency could be stressful at best, and sometimes, downright embarrassing at worst.

‘Mayehot’ is here for you.

Mayehot is YieldRock’s personal emergency loan facility which allows salaried employees and self-employed persons to borrow up to GH₵3,000 in order to sort out personal emergencies. Within 48 hours, the money will hit your wallet or account.

The benefits, especially for existing business customers of YieldRock, is that the loan processing is very fast, and requires zero documentation. Also, the standard interest rate is applied on reducing balance basis for tenors up to 3 months. See T&Cs.
